

ARKEL MATENYA

AGE: 38 years

MARRIED: 16 years

CHILDREN: 5

PROFESSION: Teacher- Bachelor of science - (unemployed)

INCOME: Poultry keeping – approximately 4,000 ksh

RENT: 3,500 ksh

His heart for ministry: Wants to see young people encouraged and helped to become self-sufficient and wants to see them learning spiritual principles so they can escape the early marriages and polygamous lives. The girls receive no education and he longs to see them being taught and trained instead of being traded into early marriage in exchange for a few cows. He wants to see the adults recognizing the value of their girl children.
